## FROM THE PRINCIPAL'S DESK

### *E Learning is the new normal*

We find ourselves gripped in the pandemic once more as India prepares to brace herself for the third wave. Having administered over a billion doses, the Indian healthcare workers' achievement is nothing short of phenomenal. However, it must be stressed that it is important to still follow covid appropriate behaviour at all times as we, as a nation, are still not out of the woods yet.

The challenge we faced as an institution was not only ensuring the safety of our students but also making sure that their learning journey is not stymied by the pandemic. Our entire staff and the erudite members of our faculty rallied behind this common cause.

We were quick to roll out various modes of e-learning for our students and have been agile in adapting new technologies to ensure that our students have a seamless learning experience. Our commitment and efforts have been recognised and we have received the prestigious 'Excellence in Education Award' by Shri Ganga Prasad (Hon'ble governor of Sikkim) (pictured above).

**Hansika is ranked #122 in India in the U-18 category**

## **HANSIKA'S TRIUMPH**

*Winner of the SS Super Series National Championship*

Hansika, the prodigal and precocious tennis star of our school, had us on the edge of our seats as she bested Tanu Priya in a thrilling and comprehensive fashion by winning 6-0, 6-0 in two straight sets to clinch the SS Super Series National Trophy.

The tournament, that was organised by the Sawai Man Singh Academy, is among the most prestigious tennis competitions in India. The tournament roster had 31 talented players, with Hansika standing at the very top.

The second tournament that Hansika won was the Dr Rajendra Prasad State Tennis Championship.

The tournament was held at Patliputra Tennis Court.

Hansika, and her partner Sakshi Suman, won the U-18 doubles category by besting their opponents 6-1, 6-1, in two straight sets to bag the title.

# CHRISTMAS CELEBRATIONS

*Christmas 2021 was celebrated with infectious joy at Gyan Niketan*

One of the many advantages that living in a diverse society affords us with is an appreciation for different cultures. India is perhaps the only country in the world where festivals of all major world religions are celebrated. True to our cosmopolitan outlook, we celebrated Christmas with lots of joy and pomp!

# POSTCARD WRITING CAMPAIGN

The campaign was organised by the Postal Department

The Postal Department organised a postcard writing campaign under 'Azadi Ka Amrit Mahotsav'.

Students wrote to the Hon'ble PM expressing their views on the following themes: 'My Vision for India 2047' and 'Unsung Heroes of Freedom Struggle'.
